## CAST OF CHARACTERS

RICKIE, THE RADIO ANNOUNCER

BUS DRIVER

SWITCHBOARD/MAINTENANCE OPERATOR - both played by the same neutral voice

DR DAHLIA DISH

The play takes place mainly on a bus and at the side of the road. The bus can be an actual bus with the side facing the audience removed, or it can be represented by seats and benches arranged to some degree as per a transit bus- see attached diagram- a bus door with mechanism would be a nice addition to this.

Everyone delivers their lines in a neutral, unemotional tone.

### SCENE 1: TRAINING

(Lights up. A bus driver in uniform holds a phone and stands near the front of the bus with hood open. The bus radio is on in the background.)

BUS DRIVER

Yeah, that's right. It's a 40' Low Floor Transit Bus. Model XBY with two integrated gps pilots and straight up manual overrides.

SOUND: THE DISTANT HUM  
OF TRAFFIC AND THE BUS  
RADIO

RADIO ANNOUNCER

Welcome back folks I hope y'all enjoyed that little interlude. Except for a minor pile up on the inbound Ville Marie traffic is light at this time with no detours and no congestion to report. We'll be coming up on the news in a little less than half an hour and now you'll want to turn up the volume because first, to bring us there, we've got Dr Dahlia Dish here in studio to give us her top foreplay tips to please your lover.

SWITCHBOARD

And you say you're stalled?

PHONE: TAPPING AND  
BLEEPS IN THE  
BACKGROUND

RADIO ANNOUNCER  
Welcome to the show Doctor D.

BUS DRIVER  
uh huh, well, stopped anyway, just off  
St. Jacques.

DR DD  
Thank you Rickie, I am delighted to be  
here.

SWITCHBOARD  
Please hold. I'm transferring you to  
Maintenance and Repairs.

BUS DRIVER  
Thanks.

RADIO ANNOUNCER  
So tell me Doc, tell me your #1, top top,  
most important thing to do to please my  
friend?

DR DD  
Well Rickie, first thing is you have to  
call me Dahlia.

SWITCHBOARD  
I'm transferring you now.

RADIO ANNOUNCER  
Thank you Dahlia.

DR DD  
Then I would have to say the most  
important thing to remember is to  
*use*  
*your*  
*hands.*

MAINTENANCE  
Maintenance.

RADIO ANNOUNCER  
Mmmhmm hands...

DR DD  
By which I mean touch everywhere. Don't  
just go straight for the crotch

RADIO ANNOUNCER  
Don't go for the crotch?

BUS DRIVER

Oh hi, this is Driver 2819. I'm pulled off to the side with a wibble in the enunxiator. I tried the diagnostics already but no useful result. Any chance you can walk me through it?

DR DD

Right. Whatever you do, remember, anticipation makes for good gravy so don't rush to get to the genitals... the inner thighs, cheeks, ears, neck and the back of the head are among the most

MAINTENANCE

Sure, I guess so. Isn't the computer working?

DR DD

sensitive areas ...touch them all and touch them often...

RADIO ANNOUNCER

Touch them all?

DR DD

Yes, touch them all but maybe start by gently touching the wrist and then dragging your finger tips over the arm as lightly as possible. It tickles, but feels very good.

RADIO ANNOUNCER

The arm?

DR DD

Yes. Everywhere. Whatever you are doing, whether kissing or having intercourse or giving head, keep those hands busy and alternate how passionately you touch. Touch and caress very softly at first, then later maybe grab hard or hold tight. You might even want to try using your nails sometimes.

BUS DRIVER

The light is on but the diagnostics don't terminate... it just keeps running and I get no report and no recommendation.

RADIO ANNOUNCER

Whoa, steam-ay! Keep this up Dahlia and soon we're gonna need someone to wipe down the windows in here.

DR DD

Well Rickie, hands are only the beginning. As a warmup you can also massage the length of the legs, from the upper thighs down to the ankles. Then focus on the feet, knead the heels and the length of the sole. Then zero in on the toes and stretch them one by each. Also some people go utterly wild if you suck them and kiss them.

RADIO ANNOUNCER

The toes? Kissing?

DR DD

Yes, kiss the toes and suck them. Even nibble them with your teeth. Kiss everywhere in fact. You know Rickie, and all of you out there, if you think that kissing is just boring, you are doing something wrong. You want to use those lips.

MAINTENANCE

Okay. Hold on a minute.

DR DD

Kissing should be hot. Not boring at all. If you kiss with passion and intensity, kissing can be a delicious turn on for everyone. The trick is to take the initiative. By which I mean, you need to kiss before you are kissed. And another thing you can

MAINTENANCE

Hello? Are you still there?

BUS DRIVER

Yeah, I'm here.

MAINTENANCE

Okay, good. And where are you?

BUS DRIVER

Where? uh, I'm near Turcot, just off St. Jacq-

No no, are you inside or outside the bus?  
Got the hood open?

BUS DRIVER

Oh. Yeah. The hood's open and I'm in  
front of it. What should I look for?

DR DD

lips between your teeth.  
Taking control can also be a real turn on  
for all. You can use your hand to move  
the lover's head to one side or the other  
so that

MAINTENANCE

So first close the hood.

BUS DRIVER

Close it?

DR DD

you can change where you kiss or try  
switching from kissing on the lips to  
sucking the ear lobe to kissing the neck.  
The rest of the body is good for kissing  
too... give some attention to the crook of  
the elbows, the ankles, the toes

MAINTENANCE

Yes, close it.

DR DD

the small of the back.

RADIO ANNOUNCER

Well thank you Dahlia. We have hot stuff  
today folks, in the studio with Dr Dahlia  
Dish dishing up some favourite foreplay  
tips to keep you and your play pals  
excited. Don't go away, we'll be right  
back after these messages.

MAINTENANCE

Just follow the instructions please. The diagnostics protocol won't run with it open. Did you ever read the manual?

BUS DRIVER

Oh sure, I read it. Anyway.  
Okay, It's closed

MAINTENANCE

Good. Now return to the cab and start it up.

BUS DRIVER

Started.

RADIO ANNOUNCER

Welcome back to 98.6 on the dial, that's CKUM FM, with Dr Dahlia Dish and her HOT TIPS. Dahlia...

DR DD

Thank you Rickie. Now some of you might have a hard time with this at first but talking dirty is an effective "pre" foreplay technique to use with a lover throughout the day, before you are alone together, as well as during foreplay itself. The idea is to build

MAINTENANCE

And what does your display say?

BUS DRIVER

Nothing. Just zeros.

DR DD

the sexual tension and have your lovers salivating for you. Many people believe that dirty talk must

MAINTENANCE

Okay. Now push the start button again.

DR DD

be about using graphic expletives and bad language with your partners

BUS DRIVER

Yeah. So now it says "*Performing scheduled maintenance operations is important to ensure safe, reliable operation of your vehicle. A proper maintenance program will minimize downtime and safeguard warranties*".

MAINTENANCE

Good. Now I will read a sequence and I want you to enter it exactly. Okay?

DR DD

but while that can be nice, it isn't necessary.

BUS DRIVER

Sure.

MAINTENANCE

Ready?

BUS DRIVER

un huh, ready.

DR DD

All you need do is to tell your partners directly what it is you enjoy. Tell them why it turns you on, how your flesh feels, or what you think about and then

MAINTENANCE

Okay. First press the start button 3 times followed by... ready/

DR DD

come right out and ask your partner what they like during sex and

BUS DRIVER  
 No?

DR DD  
 Now, if your partner is a woman, there  
 is no doubt that yes, the clitoris

 No. Try again. But first just listen and  
 then follow the instructions. Maybe write  
 the code down, if you have a pen.

 is a yummy place to focus your attention.  
 But still, it is easy to do

BUS DRIVER  
 Right, tell me again.

MAINTENANCE  
 Press start. Three times.

MAINTENANCE

And what happens.

BUS DRIVER

Nothing. I mean not yet. It looks like  
its working. The little thing is  
spinning.

DR DD

a little, build some tension, then back  
off on it a bit before going at it again.

MAINTENANCE

Okay. So when the thing stops spinning—

this is your Drive at Five on CKUM FM.

MAINTENANCE

So now turn the D dial to the right until  
you hear a click and it feels like it  
locks.

and find out what... Dahlia?

MAINTENANCE

Now press start one more time.

BUS DRIVER

Right. Now it appears to be working.

MAINTENANCE

What does it say?

DR DD

Thank you Rickie, yes, tune in again tomorrow for my favourite techniques to prolong orgasm and how

BUS DRIVER

umm, hang on. Okay. It looks as if it could be a while, it says *Model XBY Transportation Equipment Diagnostic Protocol has been initiated and will be complete in approximately 16 minutes.*

MAINTENANCE

Good. Now we just wait for the report. Call me back when it finishes and in case we need it, I will arrange to have the tow standing by.
